

## Dr. Jessica Tran, N.D., Irvine, CA

Dr. Jessica Tran, N.D., holds a doctorate in Naturopathic Medicine from Bastyr University in Washington. Dr. Tran is licensed as a Naturopathic Doctor in the state of California and completed her residency and fellowship in Arizona. Dr. Tran has been practicing since 2005 and specializes in Environmental Medicine, autism and PDD, cancer care, preconception care and general medical care for both children and adults.

Dr. Tran has worked with many Staph and MRSA cases during her ER rotations in Arizona. She has also treated patients with GI, Pseudomonas and C. difficile infections. Dr. Tran routinely collaborates with Medical Doctors and can prescribe pharmaceutical drugs if needed, including antibiotics. She also uses culture and sensitivity testing to determine which natural remedies may work best in treating a particular patient's infection.

Dr. Tran practices a holistic, patient-centered approach to medicine, treating the body, mind and spirit. She strives to identify and address the underlying cause of illness in addition to treating the symptoms. Dr. Tran's treatment modalities include botanical medicine, hyperbaric treatment, homeopathy, detoxification and sparing use of pharmaceutical drugs.

Dr. Tran provides a complementary 15-minute phone consultation to prospective patients, followed by in-person visits after becoming a patient. Her clinic offers scholarship programs and discounts to qualifying patients after completing an application. She also provides a service summary with appropriate coding for insurance reimbursement. Dr. Tran is an in-network healthcare provider for CAM PPO in California. To schedule an office visit or phone consultation with Dr. Tran, please call (877) 290-1428.
